

St Andrew's Grammar

2023 NAPLAN Results *for Years 3, 5, 7 and 9*

The 2023 NAPLAN Results are in and we couldn't be prouder to share them with you. The students tested in years 3, 5, 7 & 9 have outdone themselves and produced **the best results we have seen in the history of our school**. This is not only testament to the

students but also to the wider teaching staff and their leaders. These results are truly cause for celebration and congratulations, with 19 out of 20 of our results being on or above the comparative measures of like school's in our area.

This is something very few schools in Australia could report. An excellent result from St Andrew's Grammar students.

Delta - our results compared to state and national averages.	Year 3	Year 5	Year 7	Year 9

*Based on 2022 averages

** Our NAPLAN results do drop off considerably in Year 7 with the reason that we accept roughly 50% of our cohort as new to the school. As can be seen below our value added in Year 9 is stronger.

Messages from our Leaders

Julie Wall, Head of Primary

"We are thrilled to celebrate the excellent NAPLAN results that our students have achieved, a testament to the success of our Primary School's focused initiatives. These outstanding results are a reflection of the collective efforts of our dedicated educators, motivated students, and supportive parents who have all contributed to this achievement. As we revel in this success, we remain steadfast in our commitment to fostering a culture of continuous improvement and educational excellence for all our students."

Kelly Dwyer, Head of Teaching and Learning (Yr 7-12)

"We are so very proud of our NAPLAN results in the Secondary School. These results show a real commitment from all our staff to ensure that our students are flourishing in all domains. Especially for our Year 7 cohort, a large proportion of whom come from other schools. Our dedicated teachers work hard to make sure everyone reaches the high St Andrew's standards. This exceptional work is continued through Year 8 and Year 9 and our Year 9 NAPLAN results show the fruit of this effort, with demonstrated improvement across the board. These results should be celebrated by all."

Craig Monaghan, Principal

"As a school we could not be any prouder with the school's best NAPLAN scores in our history. With 100% of all recorded scores across all domains above national and state medians. An impressive statistic and one which we are extremely proud of. When we compare us against like schools in our area, we are also above their associated long-term averages in 19 out of the 20 recorded results. This reinforces the fantastic teachers we have and our continuously developing teacher programmes across the entire school. Our students have the benefit of a quality seamless education and a delivery that is second to none at St. Andrew's Grammar. Take a bow, our entire community of learners – both students and educators!!"
