## 2022 NAPLAN Results *for Years 3, 5, 7 and 9*

The following results of NAPLAN 2022 were to be commended. Students in every year group that was tested (Years 3, 5, 7, 9) achieved

above the mean in every mode of learning in both the state and national achievement levels. See next section for Year 12 summary.

*This is something very few schools in Australia could report. An excellent result from St Andrew's Grammar students.*

<i>Y3 Mean</i>	<i>National</i>	<i>State</i>	<i>St Andrew's Grammar</i>
Reading	<u>439</u>	428	436
Writing	423	419	<u>461</u>
Spelling	418	414	<u>459</u>
Grammar & Punctuation	433	424	<u>445</u>
Numeracy	400	395	<u>427</u>

## 2022 NAPLAN Results

Y9 Mean	National	State	St Andrew's Grammar
Reading	578	586	<u>595</u>
Writing	561	565	<u>579</u>
Spelling	577	581	<u>603</u>
Grammar & Punctuation	574	580	<u>596</u>
Numeracy	585	595	<u>603</u>

## What about our Year 12 results?

*Student results were as predicted or better than anticipated for the Year 12 ATAR Cohort. The highest Year 12 result for 2022 was 92.90, closely followed 92.40. There were three Year 11 students who sat the Year 12 ATAR Modern Greek exam. Their results ranged from 91.4 to 88.8.*

Only 7 students chose an ATAR pathway at St Andrew's Grammar in 2022. Results are therefore not published in the media (to be published there must be greater than 20 students).

Students chose Curtin, ECU and UWA and entered Engineering, Architecture, Education,

Economics, Business and Health fields.

In the General pathway, there were six students who undertook the UniReady course, which provides direct entrance into Curtin University.

Of these, five students successfully

completed their course and have started at university.

Vocational studies students were also successful. A total of 27 Cert II and 2 Cert III were awarded to students in a variety of courses.

In all, our 2022 Year 12 graduates have done very well in a multiple of pathways.
