More opportunities means more growth

WHAT IS A CCA?

Co-Curricular Activities (CCAs) are defined as activities that complement and enhance the academic, cultural, artistic and athletic experiences of the school's current curriculum.

The staff at St Andrew's Grammar are committed to giving students a holistic learning experience. We provide an abundance of opportunities and choices to trial different interests and to build students' social relationships outside the classroom.

What are the benefits?

A fully engaging co-curricular program will enhance the students' pursuit of success in a well-rounded schooling environment. Our CCAs seek to develop and nurture resilience and self-esteem in students, cultivated within a safe space that students enjoy.

According to the Australian Council of Education Research (ACER), some students struggle because of a poor sense of belonging.

The CCAs are designed to counteract some of the social challenges by providing activities that support peer-to-peer comradery, opportunities for teamwork, and a strong sense of community.

The CCAs help students:

- collaborate with one another
- develop leadership qualities
- transfer their skills into the classroom
- build stronger relationships with teachers and students outside the classroom

Student-led inquiry:

Students have full ownership of their CCA options. They get to map out their Co-curricular choices based on their own personal interests and goals. This creates a level of safety and freedom for students to fully immerse themselves into an activity of their choosing, experience a greater sense of autonomy, and learn at their own pace.

Let us help you find your Semester 1 CCA

ROUND 1
SELECTION OPEN

9am Thurs 15 Feb
ROUND 2
SELECTION OPEN
9am Tues 20 Feb -
3:30pm Fri 23 Feb

Meet our CCA Coordinators!

Mr David Russell-Smith (left)
and Mr Tom Fortune (right).

Thanks to the team:

Our staff team are dedicated to offering fun, exciting and unique opportunities beyond the school's timetable, to benefit all our students.

Register now!

Should you have any queries regarding the CCA, please contact reception at:
reception@sag.wa.edu.au

Our aim is to give students learning experiences that can:

- build self-esteem
- provide cultural broadening through positive experiences
- offer frequent interactions with like-minded peers
- develop leadership skills and qualities in students, and
- give them chances to contribute to the community

How does it work?

To register successfully for CCAs, there's a few things to note:

1. **CCAs start in Week 3 of each term.**
2. Register via the Consent2Go link that's been emailed to you
3. Students are only eligible for the Year cohort they are in.
4. Some CCAs have maximum numbers, so get in quick!
5. Some CCAs require payment. So, if there is a maximum on numbers, you have to pay to be counted and eligible.

2024 St. Andrew's Grammar Cricket Club

The St. Andrews Grammar Cricket Club is a parent run initiative which we launched in the latter half of 2023. Proving successful, we are excited to be able to offer it again for 2024!

The sessions will be run in a similar manner to last year, focusing on essential aspects such as Batting, Bowling, and Fielding, alongside a daily game to showcase their skills. Rest assured, this program promises to be fun, engaging, and an excellent opportunity for all the kids to enhance their cricketing abilities. Students will be divided into groups after an assessment based on their age and skill level.

Previously, the Cricket Club was only available to the Junior School Students however we are now taking expressions of interest for anyone in years 7-10 who may interested.

A freshly laid cricket pitch has recently been installed which we hope will also pave the way for our very own senior school cricket team to, one day, partake in inter-school cricket tournaments.

We not only invite our students to partake but also warmly invite all parents to actively engage and support, in any capacity, to ensure the smooth running of these sessions.

Dungeons & Dragons

with Lachlan Nowell

Dungeons and Dragons is collaborative storytelling at its finest! Students will join as a rag tag group of adventurers. Each student will have a chance to create a character with strengths, weaknesses, flaws and quirks. They will get to explore a world as it unfolds before them, making friends, fighting enemies, and carving out their mark!

Mock Trials

with Miguel De Sousa

Thursdays after school. Numbers are very limited. In this CCA, students will participate against other schools in a criminal or civil trial. The trial will take place in a real courtroom and a judge will preside over the proceedings. Students will take on a variety of roles from barristers to witnesses, court officials to solicitors. This is an excellent way for students to learn about the law first hand and think on their feet.
