

## St. Andrew's Grammar

Due to significant expansion, St. Andrew's Grammar is seeking Teachers of Modern Greek who are passionate about quality second language learning.

### Teacher of Modern Greek (Year 1 – Year 9)

We are a K-12 co-educational Independent School in Dianella of 730 students with around 80 teaching staff and we are Western Australia's only Greek Orthodox school. With a small, yet growing, percentage of Greek students, the school has had incredible growth in recent years moving from 387 students in 2019 to over 770 in 2024. The cultural diversity amongst the student population is an enriching aspect of the school fostering respect for all people. We are a Grammar school with an emphasis on high academic standards, our NAPLAN and ATAR results are testament to this. "We offer learning pathways for opportunity and success, as we nurture the social and emotional wellbeing of every student."

This is a unique opportunity to work within a school population which strives to live its Hellenic and Orthodox values through all its students irrespective of background. Challenging and supporting our Greek language and Orthodox Studies teachers, who are already performing, to strive to become even better will be a key focus; as well as continuing to develop the special characteristics of our school.
